- 14. To request the **TROY E-13B InkJet MICR font**, go to <u>https://www.troygroup.com/support/product-installation/200-mobile-micr.html</u>, complete the **Request Mobile 200 MICR Font** form, and click **Submit**. TROY support will review the request and email you the required **TROY E-13B InkJet MICR TTF** font to be used with your Mobile 200 printer.
- 15. Once you have the **TROY E-13B InkJet MICR TTF**, save the file to your PC, *right click* on the font file and select **Install.** This will install the font into your Windows Font's and allow you to then select the MICR Font in the appropriate check printing application.
